Plans and of 3050 Hongkong, 23rd December

WEST POINT RICE MILL.
This Establishment is now ready
to receive orders for Rice to be cleaned, and
signed are prepared to receive, land,
and ship Rice in any quantities. A new
very powerful boiler has been erected
for the Mills, and large costly machinery
imported from England which is now
being put up to the Machinery; the improve-
ment working order, the improvement
have been made. Combining the best
perfect manner the cleaning of Rice in a mill
is equalled either by any other Mills
or by the trifling hand labour of the
Mills can clean and turn out six hun-
dred bushels of Rice in the working day and if greater
quantity is required it can be attained.
The are made of granite and are large,

gun, ble against fire at low rates. It
suffic it water at all states of the t
